

Letter to Father Christmas: Promise to Be Good (Created by [Rooftop Post](#))

Keep up to date with our new printables on [Facebook](#). They're all free!

Dear Father Christmas,

I'm so looking forward to your visit this year and I promise I will try to be extra good between now and then. If you need ideas about what to bring me, these are the presents I've been thinking I would like. Hope you have some left!

Thank you and give my love to the reindeer!
