

## Miniature Tooth Fairy Letter - Thank You and Keep Brushing [rooftoppost.co.uk](http://rooftoppost.co.uk)

This tiny Tooth Fairy letter and matching envelope is to say thank you for the tooth and remember to keep brushing. It's for a little girl (we have one for a boy on our site too).

Just print and cut out. You'll need some glue or tape for the envelope flaps. Because it's so small, it can be a bit fiddly, but the magical effect is well worth the effort!
