

This is a very quick little note
to say thank you for the
tooth you left me. It will
be very useful to me and when
I picked it up, I could see
that you've looked after it,
so well done!

I'm afraid I must fly
away now because I have
ever so many teeth to collect
before dawn... I do hope they're
all as nice as yours!

Lots of love,

The Tooth Fairy x
