

Hello my dear!

I'm on my way around the world collecting children's teeth as usual, but I've just remembered it's your birthday! So I'm writing you this note to wish you many happy returns. I can't believe you're another year older already - doesn't time fly?! You will make sure you clean your teeth properly if you eat any birthday goodies, won't you? That way no matter how much older you get as your birthdays go by, you'll always have a beautiful white smile!

Lots of love,

The Tooth Fairy x
