

A decorative border at the top of the page featuring various colored swirls (red, green, blue, purple), yellow stars, and a white tooth illustration on the right side.

Now then my dear,

I am planning to visit you very soon and I'm just writing you this note to remind you to be asleep when I come round. It's very important because my moth, Flutterdust, who carries me around the world on his back, will be too afraid to bring me anywhere near you if he thinks you're still awake!

Lots of love, The Tooth Fairy
