

Hello there my dear!

I am writing you this special note because I hear you are going to visit the dentist. Well, that's something we all have to do from time to time, even I have to go to have my fairy teeth checked by a dentist you know. I wouldn't let it worry you my dear. All the dentists I've met are lovely people and I know yours is a very good one, who takes extra special care with children's teeth.

I must fly away in a minute, but before I do I just want to let you know that I'm very proud of you for being so grown up and sensible and brave. What a marvellous person you're turning into! I shall be thinking of you all the time you're at the dentist's and I'll send one of my invisible fairy helpers to watch over you and let me know how it went.

Lots of love,

The Tooth Fairy x
