

Tiny Tooth Fairy Letter Saying Thank You for Another Tooth - rooftoppost.co.uk

This is a deliberately small Tooth Fairy letter and matching envelope saying thank you for the tooth. This one's for a girl who has lost **another** tooth, saying the Tooth Fairy has had a long flight but it was worth it. (We have one for a boy on our site too.)

Just print and cut out. You'll need some glue or tape for the envelope flaps. Because it's so small, it can be a bit fiddly, but the magical effect is well worth the effort!
