

Santa Note: Sorry About the Footprints!

Created by [Rooftop Post](#) - Keep up to date with our new printables on [Facebook](#).

This is just a quick
note to say sorry
about the footprints
I left on your floor
while I was delivering
your gifts!! I'm in
such a rush, I didn't
have time to clean them.
I do hope your family
doesn't mind. Merry
Christmas, ho, ho, ho!
Love, Santa x
