

Well done!

You made it onto

**Santa's Nice List.** We're so proud of you! Do make sure you keep up the good work all the way from now until **Christmas**, because **Santa** is really looking forward to dropping off your gifts.

**We'd better be off now, as we have so many presents to wrap, but well done again. You're a star!**

Lots of love,

**The**  
**Christmas**
