

Reindeer Stables,
Christmas House,
Icicle Lane,

Merry Christmas
young human!

I bet you didn't
think you'd hear from me, and
indeed, I don't write many
letters, as it's quite
difficult when you've got
hooves.

However, the carrot you
left me was soooooo crunchy
and delicious that I just had
to say thank you! What a
thoughtful person you are.

All the other reindeer
send their love to you
and we hope you'll have a
magical Christmas!

Lots of love,
Rudolph
